

# Welcome to Little Star New York!

We are delighted to announce the imminent opening of Little Star Daycare in New York.

The facility will be located in the heart of one of the busiest boroughs of New York: Manhattan. The daycare welcomes children aged 0-2 .

Little Star Manhattan will offer a warm learning environment in which children will experience exceptional educational activities thanks to the Little Star educational format ranging from literacy, arts and music to unique bilingual after school activities. Little Star Manhattan is not only aimed at children but also at parents. In order to satisfy the various schedules and needs of all parents, the facility will also offer a range of flexible exit times.
